A Live Question.

The City Hall proposition is one of the live topics in Clay City today. All of the council are in favor of the measure, but are withholding action along this line waiting to see how their funds are going to hold out, and at the same time being aware that this is an inopportune time to commence building. Every citizen of Clay City wants the City Hall and most of them are anxious for an immediate action.

All of the Lodges are willing to assist in the building by the upper floor being given to them as a Lodge room. This plan is easily accepted by both the various orders of the city and the city council, so the only hitch so far is the financial ability of the city. By another month it is believed that matters will be better shaped and the council will go ahead with the plans for the much needed new building.

The building is proposed to be built of concrete blocks, on a lawn in the central part of town, two stories high, the first floor to be used as a court room for the city and a public hall. The upper floor to be used by the Lodges. Such building is badly needed here, as there is no place for a public gathering except in one

of the churches. Public sentiment is in favor of the building and generally public sentiment wins.

Judge Riddell Dead.

Judge Robt. Riddell died at his home in Irvine Tuesday, aged 72 years, from an injury as a result of a fall on his porch about a month ago. He leaves a wife and six children all grown.

Judge Riddell was a distinguished jurist and was at the time of his death Circuit Judge in his district. He has been a prominent citizen for more than 50 years, having been elected county Judge of Estill county just 50 years ago. He had often practiced law in this county and was considered one of the best criminal lawyers in Eastern Kentucky.

Will Move to Beattyville.

The stave and planing mill of Swann-Day Lumber Company will be moved to Beattyville from this place. This is given out by officers of the company. This plant has in the past given employment for a number of people and we regret to see the company leave us.

The company has been playing in hard luck for some time. A tide came last Spring and the

river overflowed the bottoms of Red river all along and did great damage to crops in the bottoms. A number of farmers living above Clay City sued the company for damages done by the tide, claiming that a log jam in the company's booms caused the water to remain over the crops and drowned them out. In these cases the company lost, the damages amounting to considerable. The company considered these cases in court an act of persecution. And added to these troubles the freight rate on lumber was largely increased in August. It is quite likely that these two causes have driven the company from the county.

Swann-Day Lumber Company are nice people and a valuable asset to any business community, since they have paid thousands of dollars as tax to the county and city, and it is useless to say this tax in the future will be badly missed.

From what we learn Beattyville justly considers this company of value to her business by giving them a free site for their mill, free franchise for their light plant and exempt them from local taxation five years and give them \$15,000 to move their mill there. The company already has at Beattyville a very large saw mill and it is of course natural that the two plants can be operated to an advantage by being located together.

Council Meeting.

The city council met in regular session Friday night with all members present except councilmen C. C. Eaton and T. J. Newkirk. The regular routine of business was gone through with.

A. T. Whitt was qualified as Treasurer and a net balance of over \$1,300 was turned over to him.

The Marshal's report showed \$20.00 collected on tax. He was ordered by a unanimous vote of the council to advertise and make tax out of personal property and real estate where it was possible, not leaving a single exception. He said there was several hundred dollars that could be so collected.

The question of appropriating \$1,000 toward the construction of a City Hall was passed for the present. All the councilmen were in favor of the City Hall but thought best to see how the funds were going to hold up before making an appropriation.

The Marshal was instructed to look after the unsightly grub that has accrued on the lesser used streets and alleys, and have abutting property owners to clean it up.

The Truth About Mud Roads.

Progress, financially, educationally, religiously, depends as much on good roads as anything else you can talk about. Show me a people with mud to their boot tops, mud solid between all the spokes in their wagon wheels, mud up to the door knob on their school houses, and I will show you a people with mud on their parlor floors, mud and cob webs in their brain cells, mud and mortgages on their little farms, mud and meanness in their little lives, mud and misery in their future prospects.

Macadamize their roads and you set their wagon wheels a foot higher, their farms several dollars higher, their lives a mile higher, their prospects a generation higher.

An effort is being started to amend the Kentucky constitution so that the State may lend money to the counties that need it for the purpose of building roads. Such an arrangement would mean more to Rowan county and others in the same condition than anything else the State could do. It would be no loss to the State for the money would be paid back, and no loss to the county in any respect, for the increase in values that would result in the county would more than double the amount borrowed and pay it back with interest. Thus we would have our roads and be richer in money besides the great advance it would mean in

almost every line we could mention. Submit it to the people, by all means, and count on the Mountaineer as an ardent supporter of the measure.—Morehead Mountaineer.

Begun Paying a Big Debt.

At a special session of the Estill Fiscal Court last week, railroad bonds to the amount of \$19,600 held by Talton Embry, were taken up by the county by the payment of \$4,600 cash and notes executed for \$15,000 with Thos. Williams, Jno. D. Winn, A. M. Durbin, Dr. C. Marcum, R. M. Garrett, Steve Daniel, H. C. Winburn, Dudley Alexander and J. F. West as sureties. Embry's holdings of the original \$50,000, was used in the courts, State and Federal, as a test case, which resulted at every trial in his favor. The remaining bonds, however, will be settled on the basis of a compromise.—Estill Herald.

The special registration at both Clay City and Stanton was very light Wednesday. Many who had lost their registration certificate expected to re-register, and was disappointed when they could not. They can get new certificates from the County Clerk by paying a fee of 50 cents.

Notice to Taxpayers.

At the recent session of the city council the Marshal was instructed to sell and make wherever possible every cent of city tax due the city of Clay City. Where there is no property the Marshal was instructed to turn them delinquent when these delinquents will be advertised and publicly sold. Further delay only means additional cost, as beginning next week, positively, every person who owes the city tax must pay same or have their property advertised and sold for said tax. There will be no discrimination, every one will be treated exactly alike.

Mrs. W. N. Bush.

The tariff is still a live question in Massachusetts. Former Gov. Douglas declares that tariff reform is the prime issue, for high protection is the parent of graft and corruption in public and private life. That is the Democratic opinion. Then comes Gov. Guild, Republican, an-

nouncing that a concerted demand will be made, "after the next election" for a special session of Congress for the revision of the tariff in the interest of common sense rather than special interests. But those who believe in real tariff reform will find that only a Democratic Congress will supply the boon.

TAX SALE.

By virtue of tax warrants in my hands for taxes due the State of Kentucky and county of Powell, I or one of my deputies will on **MONDAY, the 2nd DAY of MARCH, 1908**, at the Court House door in Stanton, Ky. sell to the highest bidder for Cash to satisfy taxes for the year 1907, the property set opposite each person's name, or so much thereof as will satisfy said taxes, penalty, interest and cost.

This Bank Offers You Complete Safety and Makes Your Money Aid Prosperity.

SAFETY.

When you are asked to put your money in a bank you have a right to know and should know just how and why that bank is safe. We want you to understand the reasons for the supreme safety of this Bank.

The Clay City National Bank

is organized under the National Banking Law and is under the constant supervision of the United States Government.

Not less than five sworn reports must be made each year, and these reports are always called for an unexpected date in the past. The affairs of this bank must always be in such shape that we can make a satisfactory, detailed statement to "Uncle Sam" for any past date that the Comptroller of the Currency may pick out.

This means daily readiness. These reports must be published and must be verified by the expert Bank Examiner whom the Government sends here to thoroughly examine this Bank twice each year, at unexpected times.

This Bank has PAID IN CAPITAL of \$50,000.00, Surplus of \$7,800.00, and under the Federal Banking laws applying to National Banks, its stockholders are liable for \$50,000.00 making altogether \$107,800.00, which stands, not as the total security, mind you, but as the margin of security protecting its depositors. All of this sum must be lost before any depositor can lose a penny.

This Bank is restricted by law to conservative business methods.

The funds are protected by modern steel vaults and insured against burglary and sneak thieves.

Its officers and employees are under bond for the faithful discharge of their duties.

All of these things, coupled with conservative management, insured by the careful, personal attention constantly given the Bank's affairs by a notable able Board of Directors, assure our patrons of that supreme safety which is the prime essential of a good Bank.

The Man Who Hides His Money Invites Robbers and often Loses His Cash.

Recipe Mixed Often.

Some remarkable stories are being told about town and among the country people coming in of this simple home-made mixture curing Rheumatism and Kidney trouble. Here is the recipe and directions for taking: Mix by shaking well in a bottle one-half ounce Fluid Extract Dandelion, one ounce Compound Kargon, three ounces Compound Syrup Sarsaparilla. Take as a dose one teaspoonful after meals and at bedtime.

No change need be made in your usual diet, but drink plenty of good water.

This mixture, writes one authority in a leading Philadelphia newspaper, has a peculiar tonic effect upon the kidneys; cleansing the clogged-up pores of the eliminative tissues, forcing the kidneys to sift and strain from the blood the uric acid and other poisonous waste matter, overcoming Rheumatism, Bladder and Urinary troubles in a short while.

A New York druggist who has had hundreds of calls for these ingredients since the first announcement in the newspapers last October stated that the people who once try it "swear by it," especially those who have Urinary and Kidney trouble and suffer with Rheumatism.

The druggists in this neighborhood say they can supply the ingredients, which are easily mixed at home. There is said to be no better blood cleansing agent or system tonic known, and certainly none more harmless or simple to use.

Kimbrell.

Mr. and Mrs. L. B. McIntosh visited Sam Embs and family last Saturday and Sunday.

Mr. and Mrs. G. W. McIntosh, of Spout Spring, visited Mr. and Mrs. W. G. Patrick last Thursday.

John W. Adams, of Log Lick, has bought the farm belonging to the McKinney heirs near this place and will move to it soon.

Married at the residence of the bride's parents last Monday, Mr. James D. Puckett aged 49 to Miss Lizzie Woosley aged 17. Squire King officiating.

John Shephard sold his place on Red river to Ab Horn for \$500.00 and bought of Wm. McIntosh his place on Dry ridge for \$500.00. Mr. McIntosh has bought property in Clay City.

Bench warrants were served and bond was executed by the five agents of the American Tobacco Company at Lexington who were indicted on the charge of violating the anti trust laws.

Mrs. A. D. Campbell, of Irvine, spent several days this week with her son, Prof. C. W. Campbell.

Wm. Johnson attended the funeral of his son, Chas. Johnson, at Russellville, Ala. last week.

The Senatorial race continues a deadlock and is likely to remain so until the close of the term.

Joe and Willie Shimpfessell, of near Lexington, are visiting relatives in this city and on Hardwick's creek.

We have had some warm days this week and some rain. The thaw out in the roads has made them almost impassable.

The Southern Agriculturist is one of the best farm papers published. Free when you pay one year ahead for the Times.

H. C. Warmouth is moving the Bud Baily house to the extreme end of the lot adjoining which belongs to Mr. Warmouth.

Mrs. Elizabeth Martin, widow of Joe Martin, who was killed in this city last fall by his step-son, died at Cannel City last week.

Everett Mofield returned Tuesday from Indianapolis, Ind. where he had been summoned to the bedside of his sister, Miss Mattie Mofield. He reports her condition much improved.

Mrs. Nick Puckett died at her home near Iron Mound, Estill county, last week, while her husband had just begun to get better of a most severe attack of pneumonia.

J. E. Niblack has sold his property in this city to Sick Bill McIntosh, of Estill county. Mr. McIntosh will soon move to this city. Mr. Niblack moved Monday to the Mrs. Richardson property.

To all who will pay up all arrearages and one year in advance, we will send the Southern Agriculturist free for one year. If you want it don't forget to ask for it. The Agriculturist is one of the best farm papers published.

MATRIMONIAL.

CURTIS—JAMES.

Mr. Ambrose Curtis, of Springfield, Colo. was married in December, 1907 to Miss Goldie James, of Pittsburg, Pa.

Mr. Curtis is a son of Wm. Curtis, who moved from Spout Spring to Colorado sixteen years ago when Ambrose was then a mere lad. However he is well remembered by many of our readers who extend in best wish-

es for a happy venture on the matrimonial sea.

WISEMAN—TODD.

Miss Nora Todd, of this county, a daughter of Mrs. Nannie McKinney, was married Wednesday, Feb. 12, to Mr. Henry B. Wiseman, son of Ab Wiseman, of Estill county, at the residence of the bride's mother near Spout Spring, the Rev. R. A. Irvin, of this city officiating.

The contracting parties are of best families of their respective communities and are also leading young people. March 1st they, together with Mrs. McKinney, will move to a farm in Clark county recently purchased by them. The Times and a host of friends extend congratulations.

CURTIS—MANSFIELD.

Mr. Wm. Curtis, of Springfield, Colo. and Mrs. Sarah Mansfield, of the western portion of this county, were married in the former state Wednesday, Jan. 29th. It is the second venture for both parties.

Mr. Curtis is a native of this county and moved from Spout Spring to Colorado sixteen years ago. He first married Mrs. Mahala White, a sister to C. W. Barnett, of this city. The bride was first a Miss Martin. She went to Missouri a few weeks ago to visit relatives which has culminated in the above marriage. Both the parties have numerous relatives here and are of our very best people.

TODD—MARTIN.

A happy union took place on Snow Creek, this county, Wednesday afternoon Feb. 12 when Mr. Asa Todd and Miss Mattie Martin were united in marriage by the Rev. R. A. Irvin, of this city, in the presence of but a few relatives of the parties.

The groom is one of Powell county's substantial young farmers and is a model gentleman for morals and sobriety. The bride is a pleasant young lady of whom Mr. Todd may well feel proud of having won.

The happy young couple will reside on the groom's farm near Spout Spring, where it is hoped by their many friends they may spend life in a most enjoyable manner such as is due all good people.

Judge Hargis was killed in Jackson last week by his only son, Beech Hargis.

Keeping Open House.

Everybody is welcome when we feel good; and we feel that way only when our digestive organs are working properly. Dr. King's New Life Pills regulate the action of stomach, liver and bowels so perfectly one can't help feeling good when he uses these pills. 25c at Swann-Day Lumber Co.'s store.

A bill has been introduced in the Legislature which provides that any injury arising from a defective pavement shall be a lien on the abutting property and shall be paid by the owner of the property. This is a good bill and one we hope to see passed.

Suffering and Dollars Saved.

E. S. Lopper, of Murrilla, N. Y., says: "I am a carpenter and have had many severe cuts healed by Bucklen's Arnica Salve. It has saved me suffering and dollars. It is by far the best healing salve I have ever found." Heals burns, sores, ulcers, fever sores, eczema and piles. 25c at Swann-Day Lbr. Co.'s store.

Night riders surrounded the grocery store of John Collins, at Golden Boud, Trigg county, covered the proprietor with pistols and held him at bay while they smashed a barrel of whiskey, nine cases of beer, and a quantity of wine and liquors in bottles. There were twenty masked men in the band. They charged Collins with running a blind tiger.

Neighborhood Favorite.

Mrs. E. D. Charles, of Harbor, Maine, speaking of Electric Bitters, says: "It is a neighborhood favorite here with us." It deserves to be a favorite everywhere. It gives quick relief in dyspepsia, liver complaint, kidney derangement, malnutrition, nervousness, weakness and general debility. Its action on the blood, as a thorough purifier makes it especially useful as a spring medicine. This grand alterative tonic is sold under guarantee at Swann-Day Lumber Co.'s store. 50c.

How Advertising Pays.

In the year 1904 Eld. J. A. Webb procured an outfit for stamping keyring tags and generally supplied the people of the town. Ed Warmouth was Marshal of Clay City at that time and got one of the tags with his name and address cut on the same. He now lives at Terre Haute, Ind. H. C. Warmouth last week received a letter addressed to his brother from Thos. S. Anderson at Linton, Ind. stating that he had found a bunch of keys upon which the name, "Ed. Warmouth, Marshal, Clay City, Ky." was cut and that for the postage he would send them in. The keys were found in a car of hay which came from St. Louis and proves that it pays to advertise.

The Jumping off Place.

"Consumption had me in its grasp; and I had almost reached the jumping off place when I was advised to try Dr. King's New Discovery; and I want to say right now, it saved my life. Improvement began with the first bottle, and after taking one dozen bottles I was a well and happy man again," says George Moore, of Grimesland, N. C. As a remedy for coughs and colds and healer of weak, sore lungs and for preventing pneumonia New Discovery is supreme. 50c and \$1.00 at Swann-Day Lumber Co.'s Store. Trial bottle free.

Order for Local Option Election.

Petitions from each and every precinct of Powell County having been filed in this Court by order of record on the 26th day of December, 1907, asking that an election be held in the entire county of Powell on the 26th day of February, 1908, for the purpose of taking the sense of the legal voters in said county upon the proposition, whether or not spirituous, vinous or malt liquors shall be sold, bartered or loaned in said Powell County; and this being the first regular term of this court after the term at which said petitions were filed, and it further appearing that each of said petitions is signed by twenty-five per cent. or more of the legal voters in each of said precincts according to the vote of the last general election held in said county, it is therefore ordered by the court that J. M. Kennon, Sheriff of Powell County, Kentucky, open the poll at each and all of the voting places in Powell County, Kentucky, on the 26th day of February, 1908, for the purpose of taking the sense of the voters in said county who are qualified to vote at elections for county officers, upon the proposition whether or not spirituous, vinous or malt liquors shall be sold bartered or loaned in said Powell County.

It is further ordered by the Court that the registration officers of the towns of Stanton and Clay City, shall, on the 12th day of February, 1908, attend at their several places of registration and shall register the names of all persons appearing before them who may be entitled to vote at said election to be held on the 26th day of February, 1908, whose names are not already on the register for this year.

I, Robert Blackburn, Clerk of the Powell County Court, certify that the foregoing is a true and correct copy of an order as appears of record on the order books of the Powell County Court at its regular January term 1908, ordering an election to be held in the County of Powell on the 26th day of February 1908 upon the proposition, whether or not spirituous, vinous or malt liquors shall be sold, bartered or loaned in Powell County Kentucky.

Given under my hand as Clerk of the Powell County Court this the 6th day of January, 1908.

ROBT. BLACKBURN,
Clerk of the Powell County Court.

CAMBRIDGE

The Cambridge Reversible Sulky Plow is the highest type of plow of the twentieth century—constructed on correct, scientific and mechanical principles. It is the result of a constant endeavor to produce a perfect riding plow, and has 62 years experience in plow making back of it. The demand of the times has been for a better riding plow—the Cambridge meets that demand and only needs to be tried to convince the farmer that it is the superior of any riding plow ever before produced. It will do splendid work equally well on level land or on the hill-side; will leave the soil smooth and free of ridges and dead furrows; works with lighter draft than any hand plow doing the same work—easy on man and team. Made in two sizes and from the best malleable iron and high grade steel; improved and extra heavy steel wheels with dust cap and removable chisel blades, easy to change, always under perfect control.

SUCCESSFULLY OPERATED BY ANYONE WHO CAN DRIVE A TEAM

You'll want to know all about the Cambridge before you buy a new plow. Write today for special circular describing its construction and working points. We'll send it free also complete catalog of "The Lovejoy Line" of Farm Tools that will interest you. If we have no dealer in your town, we want to make you a special price offer that will save you some money. Be sure and get price and circular before you buy a riding plow—when you buy, you must just as well buy the best. Write today.
